About our staff and services

The Wimbledon Guild Counselling Service is accredited by the British Association of Counselling and Psychotherapy and we are bound by their codes of ethics and good practice. In addition some of our staff are members of the United Kingdom Council for Psychotherapy, which is the largest professional organisation in the UK dealing specifically with psychotherapy. John Priestley, our head of counselling is a member of both these organisations and is also a member of the British Psychoanalytic Council; an organisation which deals specifically with therapy that is more intensive and long term.
