WHO ARE WE... AND WHAT DO WE DO?

Wimbledon Guild is a local charity helping to improve the wellbeing of people in Merton. Our team of friendly staff and volunteers are here to listen, understand your needs and support you.

Here are just some of the ways we can help

TRANSPORT, BENEFITS AND HOME SAFETY

Are you feeling lonely or isolated? Are you receiving all the benefits you are entitled to? Need assistance with filling out forms? Need guidance on living safely in your home or transport options? We try to understand what will most make a difference to improve your wellbeing and provide practical assistance.

SOCIAL CLUBS, CLASSES, TALKS & TRIPS

Come and meet new people at any of our relaxed and friendly activities, ideally suited for complete beginners upwards. We also have a warm and welcoming community café serving hot drinks and tasty, home-cooked meals and snacks.

COUNSELLING SERVICES

We offer individual counselling, group psychotherapy, family and couples therapy and emotional support groups. We subsidise our counselling services to make them as affordable as possible. We also provide a range of continuing professional development events for counsellors and psychotherapists.

BEFRIENDING

If you or a family member are over 65 and housebound, living alone, recently bereaved or with a diagnosis of a long-term condition then we will help to find a volunteer befriender who will make a weekly social visit.

BEREAVEMENT SUPPORT

Going through bereavement may be one of the most difficult and stressful times of your life. We can provide support and information if you are recently bereaved or planning for your future.

SMALL GRANTS PROGRAMME

Through applications to our small grants programme, we are able to buy items that people desperately need but cannot afford, often when they have exhausted all other avenues of help.
